Lubbock Youth Softball League Code of Conduct (continued)

2025 LYS Code of Conduct Policies

Overview: Lubbock Youth Softball is concerned about the safety and well-being of the children participating in its league activities. This includes both their physical and mental well-being. Managers, Coaches, Parents and Spectators need to have a positive influence on our players and will be evaluated accordingly. The Lubbock Youth Softball Board has instituted a Code of Conduct Policy that will help enforce acceptable conduct for all participants in the league. The Code of Conduct Review Committee (the "Committee") will evaluate each reported incident to determine the appropriate action to be taken. A Code of Conduct report in writing (via email) may be filed by any Manager, Coach, Umpire, Game Monitor or Board Member. This method of reporting infractions should help remove the subjective nature from evaluating a Code of Conduct Incident. The Board retains the right to act in the best interest of the league as it sees fit, with or without the use of the following policy.

Conduct Review Committee: The Committee will be comprised of the President, and two other nominated board members (most likely the Vice President). If the President is unavailable for more than a 7-day period, the Vice President of LYS may substitute for the absent party (if they are not nominated Committee members). If the President has a conflict of interest with an issue under review, he/she shall not be allowed to vote, and an alternate must vote in his/her place. Managers in the same sport (whether baseball or softball) may not be nominated to the Committee as an alternate for that sport. The Committee will be nominated and accepted by the Lubbock Youth Softball Board of Directors at the beginning of each season. Upon receiving a Code of Conduct Incident Report, the Safety Officer will contact the members of the Committee to meet in person or via email depending on the severity of the incident and as the Safety Officer sees fit.

Three Strike Policy: All participants in Lubbock Youth Softball will adhere to the "Three Strikes and You're Out" principle. The Committee will assign strikes according to the severity of each incident. Depending on the incident, an infraction can carry more than one strike as determined by the Committee. Strikes may only be filed against an individual if a majority of the Committee determines that an infraction has been committed. All decisions made by the Committee are at their discretion and all decisions are final. Strikes are cumulative each season and will not carry over into the next season. Assigned strikes will be used by the Board in evaluating and accepting Volunteer Positions each year.

Evaluation Procedure: A Code of Conduct Incident Report may be filed by any Manager, Coach, Umpire, Board Member or Game Monitor. Game Monitors will be sent out on occasion to monitor and evaluate games throughout the season. A Code of Conduct Incident Form may be filed if the Game Monitor feels that a Manager, Coach, Umpire, Fan or Player has not adhered to the Code of Conduct as outlined in the 2nd Section. A Game Monitor may not use a game that his/her child participates in for evaluation purposes. If there is an issue regarding Board Members, Managers, Coaches or Umpires that is potentially harmful either mentally or physically to a child, the President and Safety Officer are immediately notified, and a written Code of Conduct Report will be filed.

If any Board Member, Manager, Coach or Umpire is under review by the Committee for the above-mentioned item, they shall be suspended until the issue is resolved or they receive an email from the President and Safety Officer stating that they can continue with their duties.

Notice of Infraction: The Committee will send via email a Notice of Conduct Infraction to the offending party, which include a description of the resulting penalty. Examples of applicable penalties are listed in Figure 1.

Conclusion: As Board Members, Managers, Coaches and Volunteers we are entrusted with the well-being of the participants in Lubbock Youth Softball. It is critical that each child have a positive experience with his/her participation. Umpires, Volunteers, Parents and Players all must be educated in Code of Conduct expectations and enforcement. The Committee must consistently enforce this policy to provide a healthy playing environment for all participants in Lubbock Youth Softball.
